MIL'S MUSINGS

By Richard Milbrodt

AS IF THIS CRAZY COLUMN wasn't confusing enough, a printing error made last week's efforts more so. The story about JOHN CHANDLER was to be introduced by a sentence that said, "Flying saucers are back." Now we have "The Case of the Missing Sentence."

Also noticed in last week's REVIEW that we have another reader besides myself. Nice to hear from you.

Verification has just been received that the service station on the corner of Main and Broadway has been sold.

So what?

It was a month ago that this column previewed this deal.

Long shot players can cash winning tickets on this parlay we believe.

Set on Mrs. David Hentigan to be elected to the presidency of the Woman's Club; Mrs. Leroy Scagliotti to again head the Woman's Club Juniors; Mrs. Paul Lower to be proxy of the Women's Business League, and Mrs. Charles William Brown to run for the school board.

FUROR AROUSED ABOUT TOWN about the "Burglar's Tip Sheet" printed recently in the REVIEW listing business establishments with unlocked doors was strictly mild compared to the wrath stirred in the heart of the REVIEW's publisher, Max Goodwin last week.

Neatly slipped under his door was a note from patrolman H. L. JOHNSTON stating that the rear door of the REVIEW office had been found unlocked the same date he listed a score of others. Perhaps we should have labeled this gem as "My Face

Grove May Have World Fish Record

Mel Hammerstein, operator of Hammerstein's Market, Broadway and Massachusetts, was being eyed last week as the titleholder for yellowtail taken on light tackle.

Fishing from the Sea Boats, Hammerstein brought a king-sized yellow to the gaff. Gutted, the fish weighed 36 pounds 13 ounces.

World's record is 36 pounds, 13 ounces before gutting and that record is claimed by a Hawthorne fisherman.

It is estimated that Hammerstein's yellow would have tipped the scale at 40 pounds. Boat attendants cleaned the fish before it had an official weighing in at the dock. Mel used 12 pound test line.

There is no place like home if the place is home-like.

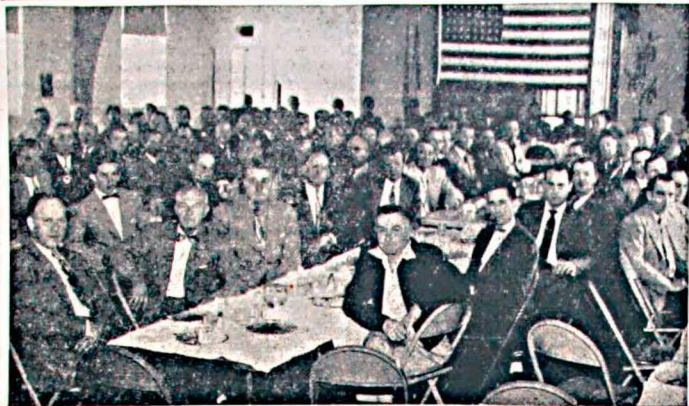

Investigating Data Filed With C of C

All information and data collected to date by the Lemon Grove Civic Investigating Committee will be deposited with the Lemon Grove Chamber of Commerce next Tuesday evening by the committee's secretary, Richard Milbrodt. He will be following instructions of the assembled public at the open meeting March 24. Extra copies of the final report on incorporation, annexation to San Diego, and annexation to La Mesa will also be presented to the Chamber in order that anyone not receiving a copy may easily get it.

Since the last meeting of the Investigating Committee, some confusion exists as to the exact status of group that was organized at that meeting. Primary question is whether the new group, the Citizen's Committee on Government of Lemon Grove, supercedes any previous existing civic organization or is merely a functional committee of the parent body.

As originally created in June,

Here is part of the recordbreaking crowd which attended the Palm Sunday breakfast of the local Masonic Group. Approximately 150 persons, most of whom were guests, heard regional leaders discuss the possible formation of the local group.

Multi-Million Bond Issue

Comes to Vote This Month

Election day for the \$2,500,000 schools are the Lakeside-Santee Grossmont High School District area, and the Spring Valley bond issue will be Tuesday, Lemon Grove area, with the late April 21st, according to Lewis Smith, High School District Superintendent.

Lemon Grove, a part of the district, will have the opportunity of making their desire known at that time.

The bonds will be for funds to construct a high school in El Cajon, and to acquire two additional sites for future high schools.

Locations for future high schools.

Community Good Friday Service At La Mesa United Presbyterian

Four congregations of the La Rev. Mylon D. Merchant will join together in a Community Good Friday Service at 1 p. m. in the La Mesa United Presbyterian Church, Harbison Avenue, at Stanford. In addition to the host church, pastors and members of the following churches will participate: Amherst Congregational, and Vista La Mesa Christian.

The Rev. Donald C. Jones will preach on the theme "The Mystery of the Cross." The Rev. Dan Apra will lead the responsive scripture reading, and the service will be only one hour in length, and all people of the community are invited to attend regardless of church affiliation. No offering will be received.

Local Artists Exhibit in La Jolla Elizabeth Crowningshield and Helen Stockes, members of the La Mesa Foothills Art Association, will exhibit their work April 1 through April 15 in the La Jolla Art Association Gallery, adjacent to the La Jolla Public Library.

This is the first time in many years that Mrs. Crowningshield has shown a complete watercolor exhibit. Her delicate coloring of flowers and fruit will be in direct contrast to the vivid and strong colors of Mrs. Stockes' oil paintings. Each artist has a distinct style of painting the things we see about us, making us see them through newly appreciative eyes.

Chamber Meet Promises Much Activity

More than usual interest is being directed to the coming Chamber of Commerce meeting set for Tuesday, April 7 at 7:30 p. m.

Three very vital subjects are scheduled to be discussed by the Board of Directors.

Lewis Smith, superintendent of Grossmont High School District will explain the coming high school bond issue.

Homer Streich has requested time to speak about a proposed bond issue for the Grossmont Hospital District.

The Lemon Grove area that is in the Spring Valley Sanitation District will also come under discussion.

Any chamber members may attend.

Hamilton Brothers Sell Texaco Station

Sale of the Texaco service station at Broadway and Main Streets was announced this week by Dale and Rollo Hamilton, long time operators of the business.

Purchasers are Ed and Stewart Jaeschke, local residents. The Hamilton brothers recently purchased the garage business formerly operated by Ted Haaf at Imperial near North.

Haaf, meanwhile, announced his retirement from active business.

The annual event was destined to be passed by this year when several events developed to make the party unfeasible. Major drawback was that "Molly" Moullesseaux, father of the idea, became short-handed at his place of business. Then, too, the Grove Theatre, where the party was usually held, had closed.

Into this situation jumped Mrs. Robert Browne and a small group of energetic women. They offered to take over the project for one year. Through their effort, funds, candy, prizes and eggs were collected and the Easter Party was assured.

It is guessed that more than 3,500 kiddies will be in attendance Saturday. Coupons are being distributed through schools and places of business. Ballot boxes for contestants to drop their coupon in are strategically situated about the business area.

The way things are shaping up, it seems that it'll be the best, and unquestionably the best, Easter party Lemon Grove youngsters have ever had.

Chamber Gets Team-Track Improvement

The team-track on Imperial Ave. near the citrus plant has been improved by the railway firm gratified freight users observed last week.

This improvement came at the instigation of the local Chamber of Commerce after considerable correspondence with the railway concerning the situation.

Although the improvement greatly facilitates handling of local freight, additional work will be requested by the chamber so that trucks can approach car doors from all points on Imperial Ave.

Identical Easter Services At Lutheran Church

The Lemon Grove Lutheran Church of Monterey Heights will celebrate Easter with 9:30 a. m. and 10:45 a. m. identical services. Pastor Elster will speak on the topic: "The Tomb of Jesus," pointing to the comfort and the joy of the Christian world.

There will be no Sunday School Classes Easter Sunday, but the children are asked to attend the first services in order to get attendance credit.

Girl Scouts Help Easter Bunny

The Girl Scouts of Troop 374 of Monterey Heights are going to help Troop 412 of Lemon Grove, pack candy for the Lemon Grove Easter Contest. The candy bags were filled Saturday, March 28th at the Lemon Grove Congregational Church. The Easter Bunny Contest was started about five years ago by Mr. E. A. Moullesseaux.

More than 150 area men attended the second annual Masonic breakfast Palm Sunday at Friendship Hall.

Approximately 100 were guests of the local club. Highlight of the affair was presentation by Dr. Frank Gigliotti of a gavel which he had made from wood from the White House. President Truman had sent the wood to Dr. Gigliotti for the Grove Masonic Club when the White House underwent a facelifting last year.

At the same time he sent the flag which is used for ceremonial background at the local club. This flag had flown from the Capitol dome.

Dr. Gigliotti reminded the group of all the patriots that must have stood on the porch from which the gavel wood came. Tom Parsons, club president, accepted it for the group.

Explanation of steps necessary to form a Masonic Lodge was heard when Masonic regional Inspector Hugh Good took listeners through the routine of such an eventuality. "It is possible," he pointed out, "to maintain dual membership where the home state by-laws permit." Thus many Masons with eastern affiliation may take a more active part in local Masonic affairs, he explained.

Breakfast, consisting of sausage, eggs, fruit juice, hot rolls and coffee was presented by treatment by the kitchen committee. Walter McCollum was breakfast chairman and toastmaster.

Irrigation District Docket To Save Visitors Time

A time-saving device for persons with business with the La Mesa-Lemon Grove-Spring Valley Irrigation District board of directors has been developed. It was announced by the district this week.

A docket will be held open until 2:00 p. m. on the Monday prior to the meeting. Persons with business before the board may call the secretary and be scheduled on the docket. The secretary will advise the approximate time the individual will be heard. Matters not on the docket will be heard after completion of listed business.

The board meets at 9:00 a. m. each Tuesday in the directors room at the main office, 4769 Spring St. All meetings are open to the public.

Pfc. Martin on Okinawa

Word was received here this week by Mr. and Mrs. Gail Martin, 2053 El Dorado, that their son Donald is on Okinawa with the 29th Infantry Regiment. Pfc. Martin's wife, Lorraine, lives in San Bernardino.

Now It's The Flying Saucer Lid

No newspaper is complete without an Easter fashion section . . . and this ours.

The trim and smiling individual wearing the newest fashion in beach headgear is Ed Lewis, local point dealer.

The cap, cocked at the proper rakish angle is a new fad among beachgoers and is somewhat reminiscent of burlesk-comedian apparel.

The caps come in brilliant Hawaiian colors and the teenage group is going for them, and good.

Local outlet for the "flying saucer" lids is the L. G. Department Store and Fashion Center.

Helix's "sick bay" (health office) is well equipped to care for the needs for all kinds of students in all kinds of sicknesses. They vary from a belly ache to an epidemic-of-the-eye-brow. The health office in the front offices' has in its perimeters: a reception room, doctor's examination room, nurse's office, a boy's ward, a girl's ward, and a first aid office. Each of the wards contains six beds.

One unit of necessary equipment is a Massachusetts Vision kit. This modern instrument makes it possible to determine near sightedness, far sightedness, and muscle balance. This office is equipped for a minor emergency to the extent of the preparation of a patient to a hospital.

The first program scheduled for the nurse's office is a complete check-up of the eyes, throat, and teeth of every student. Any injured students will find himself at once in a miniature hospital. It is fortunate that there were so few accidents on the Helix campus during the semester, as the construction was a definite hazard for many Highlanders. Students may consult the nurse about special health problems. "Highland Highlights" ... Freshman dance netted \$50 for the Freshman class, huge success ... Helix will hold a variety show soon. Tryouts will be held on Mar. 26 ... Fairest of Spring Valley girls ...

Bloom, Jud Bowers, Dick Diedrick, Cary Hauff, Brian Herald, Jerry Jinnett, Skip Kennison, Lloyd Perkins, Jerry Rhodes, Larry Shaw, Ken Stratton, Bernie Svalstad, Bob Turnbull, and that's all. Our Hi-Y is honored and thrilled to have a member recently become an officer of the school for next year. He is the new Attorney General: Joel "Senator" Gleghorn. Last meeting, March 19, we had our meeting held in a new place. Room 28 of the Science Building at Helix High. That certain room happens to belong to our wonderful sponsor Mr. Frank Cross. I think that that room will be our regular meeting place from now on. We had a short and lively business meeting and another acre of cookies and a tide of punch.

The Jersey breed of dairy cattle originated on the Island of Jersey in the Channel Islands between England and France, where laws to protect the breed's purity were passed as early as 1763.

Who's that slightly person slipping into the girls gym? Why is he grabbing that paper out of that girl's hand and slipping behind that sheet covered blind? What's he doing now? Don't know? Well, I do. He's one of many Highlanders that recently marked on their ballots the new officers that they wished in office for next year. The elections were held last Friday, March 20, during the students gym classes. And to the schools and students benefit, their elections are held exactly like the national ones. They are as follows: President, Mike Spinazola; Vice-President, Jim Hutchins; Secretary, Marylyn Sharp; Commissioner of Finance, Bob Tilling; Commissioner of Athletics, Dave Davis; Comm. of Public Relations, Jim Weldon; At-

New Members for Women's League

New members of the Business Women's League of Lemon Grove are Mrs. H. Lowe of Lowe's Toggery, Mrs. Arthur Glickman of the Petite Shop, Mrs. Robert Brown of Brownie's Refrigeration and Mrs. Calvin Nichol. Mrs. Nichol's husband is Dr. Calvin Nichol, optometrist in the Medical Building. The Business Women are proud of the fact that they now have fifty-one members. For some time they have been looking forward to reaching a membership of fifty. Mrs. Robert Brown was the fiftieth paid-up member, and was honored at the luncheon with a corsage and a gold crown.

Guests of the Business Women were Mrs. J. J. Kimbrough, Mrs. H. G. Hoard, Mrs. S. D. Hickey, Mrs. A. A. Cole, Mrs. Karl Planchon and Mrs. R. E. Flowers.

A musical birthday cake plate was purchased by the B. W. L. to be presented to the Navy Hospital. The Red Cross Council had expressed a desire for several of these to be used in serving birthday cakes in wards at the hospital.

Skrivaneks Have Another Boy

It's a boy for the Arthur Skrivanek's of Lemon Grove. Gerald Arthur arrived Sunday, March 22 at 11:31 a. m. at La Mesa Community Hospital, weighing in at 7 lbs. 2 oz. The proud father is a Civil Service guard at Naval Supply Depot. There are two others Skrivanek children, Richard 16, and Nancy 6. Mrs. Ina Brown is their grandmother.

Seated: (Left to right) E. B. Hodges, B. A. Becker, Bertha Van Epps, Mary Smith, Dr. Charles Fleischner, John Barger, Standing: (left to right) L. W. Spooner, Jerry Krukoff, R. Benoit, H. Bruggeman, L. W. Samules and Ted Bray.

Big Turnout For P.T.A. Meeting

The Can-Can Dancers of the day Club were the star attraction at the P. T. A. Pancake Supper Thursday, March 26th. Approximately 500 people attended the annual supper of Pancakes, fruit juice, sausage and coffee. Mrs. William Beasley was the chairman. Phil Morrell was the Master of Ceremonies for the floor show. The remainder of the program consisted of the "Exploration of Cow" in "Operation Spizark" by five industrious dads of the P. T. A. and an Ape Dance by Felix Kallis, who earned his act thru college by doing this act for \$100 per hr. The music was by Mike Spinnazzola, accordion, and Ed Clark and Ronnie Williams at the piano. The floor show was supposed to be the main attraction, but if guests could have seen the show going on in the kitchen with Mr. Warburton and Mr. Flipping pancakes in the they may have decided they were seated in the wrong place.

Vista La Mesa School News

The Lemon Grove Citrus Packing Plant provided an interesting worthwhile morning of for Mrs. Tait's third grade at the Vista La Mesa School. The class had been studying about the citrus industry in San Diego county and particularly in this area. Mmes. Albert W. Olsen, Charles Cameron, Charles Corli, and Chester Smith furnished transportation for the trip. This third grade welcomed a new member last week, Jon Alan Hopkins, who has transferred from Crown Point School to Pacific Beach. A visitor to the class lately was Keith Nichols, formerly enrolled at the school. He hopes to return soon as a regular classmate.
Mr. Harvey's fourth grade class visited the Cabrillo National Monument last Wednesday morning. Here they learned about the old lighthouse and the statue and memorial due to the early Spaniards, others who furnished transportation and helped chaperon the class were Mmes. McMahon, son, Davis, Boucher, Nord, and Shultz.

Teeners Have Rabbit Romp

A pre-Easter dance, given by the Teeners Club attracted a considerable part of the youth group to the Youth Center last week. Bill Finch's band, and a floor show, provided the entertainment. Crepe paper and balloons made up the Easter decor. Prizes, in the form of coupons, were stuffed in the balloons. These were won by the band, by Jimmy Terry and by Rolando Clouse. The affair was sponsored by R. Baker, Grove jeweler and Mrs. Jean Vinson.
The Teeners Club meets every Tuesday and invites membership from the thirteen thru nineteen groups.
Bob Chapple played the accordion for the Teeners Dance.

Closes Are Grandparents

Mr. and Mrs. Roy Close of Lemon Grove are the proud grandparents of Mark Daniel, born at 10:00 a. m. March 26th at Mercy Hospital to Duane and Joan Close of El Cajon. Mark is the parent's first child and tipped the scales at nine pounds.
Mark's daddy is field man for the Calavo Association in La Mesa and also an orchid fancier. Just this week-end he won second prize for his orchid exhibit at the Orchid Show in La Jolla. An honor he received in last year's Orchid show also.

The host church will serve refreshments at 6:00 p. m.

The man who follows another never gets ahead.

Mrs. Hunter to Address Woman's Club

Garden section of the Lemon Grove Woman's Club will meet in the clubhouse, 2 p. m. Tuesday when Mrs. Larry Hunter, of Hunter's Nursery will be guest speaker. Mrs. A. P. Schnell will have charge of the program and all club members and friends are invited to attend.

Date for the Spring Bazaar is set for May 1, from 10 till 8:30, further details will be given at a later date.

Mrs. Howard Bowers, chairman for the club in the Red Cross drive reports \$125.00 realized from the luncheon and donations of last Thursday held at Michael's Steak House, 50 percent from the proceeds of the sale of tickets being donated by Michael's to the Red Cross. Members of the Business Women's League assisted in the sale of tickets.

Poluzzi Heads Grove District Teachers

Louis Poluzzi was elected president of the Lemon Grove District Teachers Association at the last Thursday. Rick Stammer, past president, became CTA representative, an office which he will hold for the next two years. Other officers elected for the coming school year include Dorothy Giesler, vice president; Leota Holcomb, recording secretary; Alice Hacker, corresponding secretary; Hazel Mulvey, treasurer; and Emma Tait, CPC representative.

During the meeting, reports on

the March CTA meeting in Los Angeles were given by Donna Dreyer and Peg Darroch. Harry Butler, salary chairman, reported on the study being made of additional funds to the district, and Hazel Schwalm, a past president, gave the findings of her committee in regards to student testing.

This year the club has instigated two in-service education groups. Teachers in the Moral and Spiritual Values class held a fifth meeting under the chairmanship of Al Van Zanten. A second group met with Clarence Allen and made further study of Parent Conferencing.

Beauty At The Beauty Bar

Pictured above is the new beauty bar recently installed in the Lemon Grove Beauty Shop, 3311 Imperial. The bar, designed by shop owner Jean Parsons, with assistance of assistant manager Micky Dick, is part of the expansion program just finished.

Advantage of the bar is that the comfort and convenience of patrons, more knee room and more reflective service. Operators can do better work because of the convenience of high table level which obviates stooping.

The shop is marking its 5th year in the community and has grown to a four operator size. It is, according to the owner, the largest and most modern shop in the area.

The operators in the photo are: left, Mrs. Parsons and right, Micky Dick.

Homeland to Become Hopkins Next Year

You can dial it or lump it but Homeland prefix will become Hopkins next January.

Not only that, you will dial the first two letters plus a five digit numeral.

The change, according to S. C. Campbell, Pacific Telephone manager, will permit long distance operators from other parts of the country to call direct to Lemon Grove and the rest of San Diego. More important it will provide additional series of numbers as the area continues to grow. Most of the current five and six digit numbers have been filled, Campbell said.

The new Packard was minding its own business Friday. A Spring Valley woman (who shall be nameless here because we're gentlemen) tried backing into a parking space at the Grove Medical Building.

When she scraped the side of the new car she accidentally stepped on the gas instead of the brake. That's why the Packard has a new side panel, and the medical building canopy has new uprights. It is also why shoppers saw the auto hung between the sidewalk and curb for several hours.

State Income Tax Due in April

Newcomers to California and Lemon Grove are warned that they may be required to file State income tax returns. The Franchise Tax Board advises that individuals who are in California for other than temporary or transitory purposes are considered to be residents of this State and are required to file returns if their net incomes for the year 1952 equal or exceed \$2,000 if single and \$3,500 if married.

Those who are uncertain of the next crash may be your own.

their residential status may have the situation clarified by visiting the office of the Franchise Tax Board at Room 242, San Diego Tr. & Sav. Bldg., San Diego.

Grove Woman's Jrs. 'Fairest' Contest Nears Deadline

Because of the system of judging used, every girl with coupon who enters the Fairest of the Fair queen contest has an equal opportunity to win, Jack Harrington, director of special events of the San Diego County Fair, reminded eligible girls in Lemon Grove.

Selection of this city's entry will be made during a variety show at the Monterey Heights school, Friday, April 10. This event will be sponsored by the Lemon Grove Woman's Club Juniors. Arrangements are being made by Mrs. LeRoy Scagliotti, president of the group.

Judging is based on charm, beauty, personality, poise and audience response. Girls are judged in formal and only requirements are that they be between the ages of 16 and 19 and single. A point system is used to determine the winner.

All preliminary winners will participate in the finals to be held at the San Diego County Fairgrounds, Saturday, May 23. Winners of this event reign over the Fair, opening this year on June 26 and continuing through July 5.

The Fairest of the Fair is guest of Hotel Del Mar, as is her mother or guardian, for the 10 days. In addition, she is on the Fair pay roll. Most of her time is devoted to greeting celebrities and dignitaries visiting the fair. She also makes personal appearances on radio, television and at community events, Harrington said. Unsuccessful candidates aren't forgotten. Those desiring, are given employment in the vast number of departments.

Marigolds, the Flowers That Look Like Sunshine Thrive in Grove

We think of some flowers as beautiful, some as gay, some as exotic; but for downright earthiness and dependability, where can we find the equal of the marigold family? In the Dwarf Marigolds alone we find a wealth of garden material — all with bright and cheery blooms like sunbeams lighting your garden paths and beds. For bedding in Lemon Grove set out plants from flats about 4" apart, according to the Bedding Plant

Advisory Board. For borders double row them on offset rows with about the same spacing. You will have solid masses of color to brighten your garden through most of the summer months.

Marigolds are extremely tolerant of soils but do their best in the lighter sandy soils with slight amounts of humus and little or no fertilizer. While they are sun-loving, they can stand up to half shade. However, they will start to straggle sooner in such shaded locations.

The yellow varieties, such as Yellow Pygmy, Sunny and El Dorado, wear well with the red of Fire Chief and Comanche Pe-

DWARF MARIGOLD

tunias or the blues of dwarf and tall Ageratum and the dwarf lobelias. The orange varieties such as Melody and Sunkist are a natural foil for dwarf Blue Ageratum with a foreground border of White Alyssum. In addition there are many fine two-tone and striped varieties as well as several fin reds. Whichever you choose, you will be well rewarded for your efforts for Marigolds are quite resistant to disease and very easy to grow.

TEACHERS' SALARIES EYED IN CONFERENCE

Members of the salary committee of the Lemon Grove District Teachers Association, along with Superintendent Byron Netzel and Paul Reynolds, business manager, are conferring this week with Drs. Ostlie and L. Nelson of the CTA research department on district budget affairs. From information gained, it is hoped that some type of tentative salary schedule can be worked out soon, so that Lemon Grove can offer definite figures to teacher applicants.

The CTA research experts consulted have the latest and best information concerning the new appointment bill dealing with Proposition 2 funds, and it is to the district's advantage to work with these men.

Teacher recruitment, nationwide, is presenting a difficult problem to schoolmen, and here in growing Southern California the situation is acute. A check of colleges here shows that fewer applicants will be available both at the elementary and high school level.

The Lemon Grove Schools will need to employ possibly as high as twenty new teachers for the fall term. This figure includes those needed to fill both vacancies and new classrooms. Naturally other districts in this area are facing a similar problem. Those districts which can offer the most attractive conditions will be able to hire the best teachers from the colleges here and out-of-state.

Additional funds were made available to schools by the passage of Proposition No. 2 on the November ballot. Part of this money will be used throughout the state to raise the level of

teachers' salaries. Lemon Grove shall, by working closely with the local salary committee, attempt to work out a schedule to benefit all.

With many of these other districts setting the pattern for minimum salaries at \$5000 locally it is obvious that we must appear comparable to them or lose choice applicants. Lemon Grove schools have maintained high standards in the past and school officials hope to continue to do so. But such standards can be kept only if well-trained teachers continue make up the faculty.

The teacher salary committee, with Harry Butler, chairman, Jessie Snell, Alice Hacker, Louis Poluzzi, John Strawn, and Cedric Stammerjohn, will report their findings, observations, and recommendations to the Board of Trustees.

San Diego Gets Paid Fire Department..... 1889

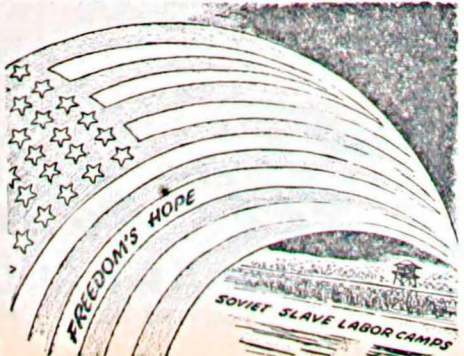

The year of 1889 was an important one in the fire-fighting history of San Diego. Prior to that time, the city's fire department had been operated on a volunteer basis. Although fire engines, horses, and hose carts had been purchased from time to time, the equipment had failed to keep pace with the growth of the city.

During the spring and summer of 1888, a series of disastrous fires swept San Diego. Losses were heavy, and when the city charter was adopted in 1889, provision was made for the first time for the organization of a paid fire department. A. B. Cairnes, formerly of New York, became the first chief engineer of the new department, and served as Fire Chief for sixteen years, retiring in 1905.

Shown here, in a photograph from the historical collection of Union Title Insurance and Trust Company, is the elaborate hook and ladder truck which was designed by Cairnes and built in San Diego by Parrott and Erb. The truck is standing in front of the No. 1 Fire Station, which was located between Market and Island, on the west side of Ninth Street.

Social Problem Comes To Helix Class

LEMON GROVE REVIEW During a discussion on cultural patterns and individual differences in social problems class Monday, six webcasts were spotted rambling down the hill.

Miss Schutte while discussing social problems of society spotted the group and said, "There's some social problems." The class immediately became interested in them.

Spanish speaking, Carlos Fackrell was sent to interview the group. He asked them where they were going, how long they were staying and what for. They said in their native tongue, "To El Cajon Valley to work for two or three days." They wanted to make a little money and then head for Mexico.

Chan Mason, spearheader of the record breaking March of Dimes drive, incensed at intimations that he "may not exercise independent judgment," is disappointing his acquaintances by declining to run in the coming School Board race.

NEWEST SCOOP AROUND THE GROVE is that one of the drugstores will soon change its name. Part of a national chain, too.

Completely subordinated in the Spring Valley Sanitation fracas

is a fact that has regularly been reported in the REVIEW. A good healthy hunk of the Grove is in that district. Matter of fact, it runs all the way to Grove Street, approximately 20% of Lemon Grove being the affected area.

Look for fireworks at the coming C. of C. board meeting Tuesday. Sewer, high school bonds, and hospital bonds will have championing speakers. Dignity, possibly, will be sacrificed to personal feelings. Box office opens 7:30.

A few days ago an auto side-swiped another and crashed into the outside framework of the Laundromat. A quick phone call to this paper hastily dispatched that intrepid photographer, AL JESSEN to the scene of action.

San Miguel PTA Meets Next Week

The April meeting of the San Miguel P. T. A. will be held on Thursday, April 9th at 7:30 p. m. An educational movie, "Willie and the Mouse" will be shown. Mr. S. K. Soller will narrate. This film explains the difference in the old and the new systems in education.

The first grade room mothers will be hostesses.

one point further by producing a positive recommendation. Composition of this group is not clear. Its members are to be anyone from the old Fact-Finding Committee wishing to continue on the new body, plus any volunteers signing with the secretary.

These procedural difficulties are expected to be ironed out at the forthcoming meeting April 21, which again is open to the public. In a concentrated effort to reach all interested groups in the Grove area, John Dail, Investigating Committee president, announced that letters will be sent to all service and social clubs urging attendance at the April gathering.

Racing out of his car with film in hand, he dashed over to the wrecked car, knelt in perfect position for a good shot — yep, you guessed it — and found that he had left his camera at the REVIEW office.
